## The PADI Bubblemaker Experience

What a great way to introduce children to scuba diving in a pool in less than six feet of water. Celebrate a birthday by throwing a memorable, exciting Bubblemaker party with friends and family at your local PADI [dive shop or resort](#). It's fun, easy and safe.

## The Fun Part

Youngsters can join in the family fun of scuba diving or even start a trend! Children should be comfortable in the water, but they don't have to be super swimmers. With youngsters in mind, the maximum depth is only 2 metres/ 6 feet.

- Typical sessions last about an hour (sign up, gear up and fun included)
- Also available as an open water experience (2 metres/ 6 feet max. depth)
